MiKTeX 2.9 Net Installer (64-bit) Package Set Select the packages you want installed. Basic MiKTeX A directory will be created which contains the basic MiKTeX distribution. This is the recommended option. MiKTeX can be configured to install missing packages automatically (in the course of use). Complete MiKTeX A directory will be created which contains the complete MiKTeX distribution. Don't use this option unless you have a fast and reliable Internet connection. I vont use this option unless you have a fast and reliable Internet connection.
